

For the month of April, we are praying for A&J.

A&J serve as International Workers on Soli Island.

Prayer requests from A&J:

Please pray with us for the English language centre:

- Pray that we would have an increase in student enrolments and contracts with businesses to equip their staff.
- Ask that we would have good opportunities to build relationships with our teachers and students so that we can share the love of Jesus with them.

Please pray with us for our inner healing work:

- Pray that we would develop trusting relationships with our believing indigenous workers who need to find healing and freedom in Jesus.
- Pray that we would be sensitive to the leading of the Holy Spirit in our sessions with these workers.

Please pray with us for our friends:

- Pray for Aslam for health and strength in his elder years. Ask that Jesus would visit him in dreams.
- Pray for Abdul that Jesus would tug at his heart and break down his defenses. Pray that we would take every opportunity to share truth with him.
- Pray for Aleeza that she would know the tender love and care of her Creator.
- Pray for Indah that she would be open to receiving prayer and support when she faces troubles.

Please pray with us for our family:

- Pray for us as we leave our young adult children in Canada to return to the island.
- Pray for M&J as they move to Vermilion for J's first posting with the RCMP. Pray for M as she completes her nursing training.
- Pray for A as she adjusts to life in Canada and begins her studies in the fall.
- Pray for E as he completes his grade 11 classes and begins to plan for life after high school in 2025.
