

**For the month of December, we are praying for the Perrys.**

Ray & Cindy Perry serves with Envision Canada in Mexico. Their mandate is leadership development of the next generation through missional engagements. This is done through short-term teams and internships.

They have enjoyed their home assignment time sharing their love of Mexican food with different church or youth groups, and have used these opportunities to connect with people in the process.

"Pray in the Spirit at all times and on every occasion. Stay alert and be persistent in your prayers for all believers everywhere." - Ephesians 6:18

Please pray for and with Ray & Cindy:

- Please continue to pray for the Mexican young people participating in the short term trip to Canada in 2024. Pray that they would persevere in spite of hurdles and the enemy's attacks, and they would experience God's provision and faithfulness in this journey.
- Pray that God would bring the right young people to engage with our internship program - we are looking for a couple more students to sign up for an 8 month experience beginning in September 2024.
- Pray that we would find ways to slow down over this last month of home assignment, while still engaging well with the opportunities that come our way.
